The Second New Deal was introduced in 1934. The Works Progress Administration (WPA) employed more than 8.5 million people. **Eleanor Roosevelt** supported programs for young people. Congress passed the **Social Security Act** to help children and the elderly, disabled, and unemployed.

The New Deal included new labor laws. The **Congress of Industrial Organizations** (CIO) was a union with many skilled and unskilled workers. It welcomed women, immigrants, and minority groups. The CIO used a **sit-down strike** to keep General Motors from replacing strikers. This success helped the unions grow stronger.
